You don't want your computer to lag. Why would you want **your brain** to? Cannabis use can lead to impaired and slow reaction times in critical situations.

An initiative of the Bergen County Youth Task Force in partnership with

The rational part of a teen's brain isn't fully developed and won't be until age 25!

This makes them more prone to addiction and other complications from cannabis.

An initiative of the Bergen County Youth Task Force in partnership with

Things teens have to focus on:

Cannabis disrupts learning and problem-solving skills. Don't allow substances to let you lose your focus.

An initiative of the Bergen County Youth Task Force in partnership with

Did you know cannabis use is bad for the environment due to plastic use, deforestation, and improper disposal?

IT'S TIME TO PUT THE CAN ON CANNABIS!

An initiative of the Bergen County Youth Task Force in partnership with

The abuse of marijuana can cause serious issues physically and mentally. This includes increased respiratory infections, heart rate, and anxiety!

STAY HEALTHY AND AVOID CANNABIS USE

SNACK ON THIS while you **SNACK ON THIS:**

Cannabis is illegal for those under 21!

An initiative of the Bergen County Youth Task Force in partnership with

FACT: Cannabis advertisements cannot be posted within 200 feet of a school.

So don't let the cannabis industry continue to target youth in other ways!

An initiative of the Bergen County Youth Task Force in partnership with

Minors found with cannabis are subject to juvenile intervention, and those 18-20 years old are subject to a civil penalty.

KNOW THE LAWS. STAY SAFE

An initiative of the Bergen County Youth Task Force in partnership with

Cannabis has been legalized...  **BUT** 
 for those under 21.
ALL POSSESSION IS ILLEGAL
